

LUXOR/ALUFIN® TX-N

Standard quality for textiles printed with adhesives, PE and PP gift ribbons

Standard quality for textiles printed with adhesives, PE and PP gift ribbons.

Main Characteristics

- suitable for special adhesive pre-coated textiles: finest lines and designs, solid area and so-called "Millepunti" designs
- very good results when hand washed (at temperatures up to 30 °C / 86 °F) combined with qualified textile adhesive formulation

Fields of Application

- Evening dress,

- swimwear,
- curtains,
- decorative textiles,
- T-shirts,
- Sweat-shirts,
- PE and PP gift ribbons

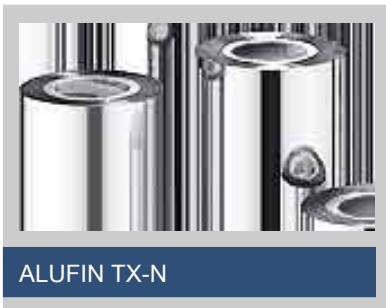

Hot stamping hints

Textile decoration:

special adhesive precoated textiles are roll-on stamped by a heated textile calender (with counter pressure roller)

T-shirt decoration:

Up-and-down stamping with heated ironing presses on T-shirt cloth with special adhesive.

The color swatches are only renditions of the actual color as it is not possible to represent the appearance. As with all of the colors shown, it is important that a sample be requested prior to purchase of the product.
